ACC HOLDING PUBLIC COMMENT SESSION ON UTILITY SOURCE RATE REQUEST

PHOENIX – The Arizona Corporation Commission (ACC) will hold a public comment session for customers of Utility Source, LLC at the Coconino County Board of Supervisors' meeting room at 219 East Cherry in Flagstaff on Monday, March 19, 2007, starting at 5:00 p.m.

Utility Source provides water and wastewater service to approximately 340 customers in the Bellemont area, west of Flagstaff. On May 1, 2006, Utility Source filed an application for a permanent rate increase that could dramatically affect customer's bills.

Under the company's initial proposal, a typical residential water customer's bill would increase from \$19.90 to \$66.33 per month. A typical wastewater bill would increase from \$12.94 to \$34.51 per month. The Commission staff is auditing and reviewing the data submitted by the company and testimony reflecting the staff review is due to be filed in late January.

A formal hearing with sworn testimony is scheduled for April 3, 2007 in the Commission's Phoenix, Arizona Hearing Room. The Commission is not bound by the proposals made by the Company, Staff, or any intervenors and, therefore, the final rates approved by the Commissioners may differ from what the applicant requests. Copies of the application and proposed tariffs are available on the internet via the Commission website (www.azcc.gov) using the E-docket function (Docket Number: WS-04235A-06-0303).

Local officials and Utility Source customers are invited to share their concerns with the Commissioners.
